## Product Description

Temple Rush - family game for 1 to 4 people aged 8 and up (DE edition).

For centuries, four factions have been vying for victory in the annual temple-building competition. Who will use their stones skilfully enough to win valuable temple cards and claim victory?

Temple Rush is a fast-paced family game for 1 to 4 people aged 8 and up by Jacob Berg, in which you get points if you are the first to rebuild a temple.

Your dice determine which building blocks are used. However, you decide for which temple you want to use the building block.

Use your equipment wisely and collect additional points when your speed is put to the test in the lightning round.

Attention! Not suitable for children under 36 months!

- Age: from 8 years
- Number of players: 1 - 4
- Game duration: 30 minutes
