Mirakulus Grimms Masquerade, board game for 2 - 5 players, ages 8+ (DE edition)

You accept the mysterious invitation of the beast and travel to his enchanted castle. No sooner have you crossed the threshold than a strange magic conceals you. The beast appears on a gallery and announces: "This castle hides what you love and what you hate. Give each other what you find and watch the recipient's reaction carefully - this is the only way to find out who is behind the mask Be the last masked dancer to receive one of my precious roses as a reward! " The beast is also veiled by the magic and disappears into the crowd of guests. The masked ball begins ... and with it the game.

2 to 5 masked fairy tale creatures aged 8 and up come together in Grimms Masquerade and try to find out who the others are. In the exciting deduction game you give your fellow players magical objects that you find in the castle. The reactions of the recipients give you the decisive clues as to who is really hiding behind the masks. But don't worry - even if your disguise has been seen through, you still have a chance at the victorious roses of the beast!
