Product Description

The large compartment of the insert is customised for the Master Enemy figure. Thanks to the miniature-precise cut, the figure remains securely in place even when the box is being transported. This not only protects the delicate parts of Vastaryou, such as wings and claws, from breakage, but also protects the colours of the painted figure from abrasion and scratches. There are also custom-fit compartments for the five Drakonians to keep them neatly stored. You can use the remaining compartments to sort the game material. The cards have two compartments, a narrow, elongated one for the large Enemy cards and one for the small cards. Both sizes fit both with and without sleeves. Finger-wide cut-outs make it easier to remove the cards.
