Product Description

Welcome to the magical world. Build a magical ally with this DIY book nook kit. Get ready to disappear at midnight with a simple spell! Robotime-Rolife Magic House DIY Book Nook TGB03 The DIY miniature house is a mysterious magical alley that only those who can cast spells can enter. Here you can buy all the necessary equipment and essentials for life in the wizarding world. Now put all the 3D wooden puzzle pieces together and build this magical house with your own hands. It will make a super cool and unique bookshelf insert and home decoration and will look fantastic when you place it in the dark with the warm light switched on. It is also a perfect practical gift for DIYers and magic lovers on birthdays and holidays. This is the ultimate resist you need for your DIY magic themed bookshelf insert, this will complete the feel and your other magic inspired bookshelf decor pieces as well as your bound copies of magic novels and the other mysterious multiverse books. This Magic House book corners kit has been beautifully pre-coloured, no paint is required. However, some parts in the kit may need to be painted. If you have more creative painting ideas, we welcome excellent work from you. Note: Due to customs regulations, glue and battery (AAA*3) may not be included in the package. Glue: You can use eco glue, wood glue or strong glue.
