Product Description

Let's take a ride on a Japanese train and enjoy the streets of Tokyo in spring with this beautiful book corner kit. A DIY 3D wooden book corner kit that you can build with your own hands. After completing this work, a beautiful scene of the streets of Tokyo in spring will be shown. This book corner is great as a home decoration for a bookshelf or any other room. It will also look fantastic if you place it in the dark with a warm light switched on. More importantly, this bookcase insert can help unleash your imagination and increase creativity, making it a perfect practical gift for children and adults.
