Product Description

Experience the assembly of our Garden House DIY book nook set, where French elegance meets rustic charm, with luminous stained glass, a curved staircase, side-opening windows, touch-sensitive night lights and beautiful wisteria vines. Inspired by an idyllic day awakened by the soft sunlight and the presence of blooming flowers, the Robotime-Rolife Garden House book nook embodies the essence of this tranquil experience. Just like brewing a fresh pot of coffee, the Holiday Garden House invites you to indulge in the simple pleasures of life. Opening the doors and windows welcomes the embrace of nature, allowing the scent of flowers and the warmth of sunlight to fill the room. The careful decoration and attention to detail create the romantic atmosphere that envelops the room in your cherished memories. The book nook in the Holiday Garden House exudes a relaxed and cosy atmosphere and is decorated in a rustic style with French pastoral colours. The romantic arched door and dark ribbed glass evoke a sense of nostalgia, while the retro staircase with its curved design adds a touch of elegance to this beautiful space. Bring the Holiday Garden House book nook into your world and experience the blossoming of romance and tranquillity! **Note:** Due to customs regulations, glue and battery (AAA*2) may not be included in the package. **Glue:** You can use eco-glue, wood glue or strong glue. **Details-** 176 parts- **Assembly time:** 5 hours- **Difficulty level:** 4 **Technical data-** Model size: H: 9.5?
