Product Description

While you accompanied the companions on their perilous journey in the base game, the harsh reality of war has reached the lands of men. Will you withstand the inferno or perish in flames? To ensure that you don't lose track of the wealth of accessories and that the marvellous miniatures remain intact, you can get the Feldherr storage box for the basic game and the expansion here. - The box offers space for all 66 miniatures and the complete game accessories from "The Lord of the Rings: Journey through Middle-earth" base game and the "Shadow of War" expansion. - The battle board parts of the base game and the booklets are stored on the foam lid. - Alternatively, you can also use the two foam sets as inserts for your board game boxes. The set contains: - 1 Feldherr storage box LBBG250- 1 foam insert for miniatures and markers of the basic game (AFCZ050BO)- 1 foam insert for cards, game board components, markers and miniatures of the basic game (AFMENK070BO)- 1 foam insert for miniatures and markers of the expansion (AFMFGA045BO)- 1 foam insert for cards, game board components and markers of the expansion, cards, game board components and expansion markers (AFMFFZ060BO)- 1 foam cover Heroes such as Aragorn and Dwalin, as well as servants of evil such as orcs and warriors, are provided with customised compartments. The customised cut ensures that the miniatures do not slip and stay in their compartments even when riding barrels in the enchanted river of the Bleak Forest. The soft foam ensures that sensitive parts, such as the Warg Riders' slingshots or Gandalf's staff, are protected from damage. If you paint your figures, you can also make sure that the colours are protected from scratches and abrasion. All figures except for the Oliphant can be neatly stored in the two low inserts. In addition, two large compartments remain free, which you can use for your two siege towers. The set comes with two additional inserts for the majority of your game material. Here you will find enough space to store the remaining markers, the game board pieces, playing cards and the miniature of the Oliphant. Seven compartments offer enough space to neatly store all the cards, such as the favour and terrain cards. The compartments have finger-wide cut-outs to make it easier for you to remove the stacks. All cards fit with sleeves. The two large compartments are used to store the travel board components, larger markers and the hero cards. Place the foam cover on the top insert. Finally, you can place the battle board components and the booklets on it. The Feldherr storage box LBBG250 is made of coated, double-walled cardboard in a subtle Feldherr design. The lightweight material and carrying handle make it ideal for safe storage and easy transport of your collection. The miniatures are securely packed, the game material is neatly stowed away and the contents of your box are optimally protected even on the bumpy roads to the next adventure. The foam inserts have the following dimensions: - AFCZ050BO: 285 mm x 285 mm x 50 mm total height (40 mm usable height + 10 mm foam base)- AFMENK070BO: 285 mm x 285 mm x 70 mm total height (60 mm usable height + 10 mm foam base)- AFMFFZ060BO: 285 mm x 285 mm x 60 mm total height (50 mm usable height + 10 mm foam base)- AFMFGA045BO: 285 mm x 285 mm x 45 mm total height (45 mm usable height + 10 mm foam base)- high-quality, fine-pored foam - Made in Germany- chlorine-free and acid-free
