The complete package offers space for all miniatures and the game material from: - Black Rose Wars: Basic Game- Black Rose Wars: Crono Expansion- Black Rose Wars: Inferno Box- Black Rose Wars: Sator Box- Black Rose Wars: Hidden Thorns- Black Rose Wars: 4 Familiars (Cerberus, Draco, Griffin, Hydrae) Four storage boxes bursting with twelve customised foam inserts ensure that all miniatures and game material from the Black Rose Wars base game, the Crono expansion, the Inferno Box, the Sator Box, the Hidden Thorns expansion and the four Familiar Packs are safely and neatly stored. From the small treasure chest, to the Necrodragon, to the Prince of Hell Lucifer himself - every miniature has the right compartment here. Surrounded by soft, fine-pored foam, your figures are optimally protected from damage even during transport through hell. You don't need to worry about scratches and chipped paint on your painted figures or broken details on your miniatures. Many of the inlays have separate card compartments for sorting your playing cards, recognisable by the finger-wide cut-outs. These make it easier for you to remove the stacks of cards. Of course, all cards also fit with sleeves. Matching compartments for tiles, counters and tokens help you to sort the game material. Each box naturally also includes a foam lid. This provides final protection from above. You can place the various booklets and crossover sheets on the cover of the box with the basic game and the box with the Crono expansion. Everything is well stowed away in the high-quality LBBG storage boxes. These are made of coated, double-walled cardboard in a subtle Feldherr design.
