from **50,20 EUR**

Item no.: 379966
shipping weight: 1.00 kg
Manufacturer: Feldherr

Product Description

This Feldherr transporter set is supplied without foam. It is particularly suitable for storing and transporting larger miniature and game collections. The set includes: - 1 transporter bag - 4 storage boxes FSLB150. The storage box M offers space for all Feldherr foam inserts in the half-size and full-size sizes up to a total height of 150 mm. It is made of coated, double-wall cardboard. This makes it not only pleasantly light, but also particularly tear-resistant and stable. With the matching foam inserts, miniatures and game material can be stored safely and protected from dust, while the plastic carrying handle makes it easy to transport. One side of the box can be opened completely to make it easier to put away and remove the foam mats. The inserts are either inserted from the top or simply pushed into the side of the box. The boxes are supplied flat. They are quickly folded and ready for use in just a few simple steps. Unused boxes can just as easily be folded flat again at any time to save space. The high-quality transporter bag is made of lightweight but durable fabric. In addition to the large main compartment, it has a small side compartment in which, for example, writing materials, books or similar items can be stored. It can be lifted with two carrying handles or shouldered comfortably with the sturdy carrying strap. The Transporter can also be folded flat to save space when not in use and stowed effortlessly in the cupboard together with the storage boxes. Transporter features: - lightweight and particularly durable material - large main compartment with a volume of 68 litres - compatible with Feldherr storage boxes and standard game boxes for tabletop and board games - additional small compartment (e.g. for writing materials) at the front for writing materials) at the front, with zip - 2 carrying handles - infinitely adjustable carrying strap with shoulder pad, detachable Transporter dimensions: - Internal dimensions: approx. 620 mm x 400 mm x 340 mm Height - External dimensions: approx. 635 mm x 410 mm x 350 mm height - Front compartment: 230 mm width x 210 mm height Dimensions storage box FSLB150: - Internal dimensions: 345 mm x 275 mm x 150 mm - The external dimensions are slightly larger. - Loadable up to a maximum of 4 kg
