from **48,83 EUR**

Item no.: 380111
shipping weight: 1.00 kg
Manufacturer: Feldherr

Product Description

Our practical transporter set with 2 storage boxes DSLB150 in the large bag. This Feldherr transporter set is supplied without foam. It is particularly suitable for storing and transporting larger miniature and game collections. The storage box DSLB150 offers space for all Feldherr foam inserts in the sizes half-size, full-size and double-size up to a total height of 150 mm. It is made of coated, double-walled cardboard. This makes it not only pleasantly light, but also particularly tear-resistant and stable. Miniatures and game material can be stored safely and protected from dust with the matching foam inserts, and transported effortlessly with the plastic carrying handle. The boxes are delivered fully folded and are ready for immediate use. The high-quality transporter bag is made of lightweight but durable fabric. In addition to the large main compartment, it has a small side compartment in which, for example, writing materials, game instructions or similar can be stored. It can be lifted with two carrying handles or comfortably shouldered with the sturdy carrying strap. When the bag is not needed, it can be folded flat to save space and easily stored in the cupboard. Set includes: 1 transporter bag - 2 storage boxes DSLB150. Features: Transporter - lightweight and particularly durable material - large main compartment with 68 litre volume - compatible with Feldherr storage boxes and standard game boxes for tabletop and board games - additional small compartment (e.g. for writing materials) on the side of the bag. e.g. for writing materials) at the front, with zip - 2 carrying handles - infinitely adjustable carrying strap with shoulder pad, detachable. Transporter dimensions - internal dimensions: approx. 620 mm x 400 mm x 340 mm height - external dimensions: approx. 635 mm x 410 mm x 350 mm height - Front compartment: 230 mm width x 210 mm height. Dimensions storage box DSLB150 - Internal dimensions: 550 mm x 345 mm x 150 mm - External dimensions slightly larger - Loadable up to a maximum of 4 kg
