Product Description

Extra space for fan legendsCan be combined with the expansion boxes of either New Heroes, The Star Shield or Dark Heroes.Lots of fan legends invite you to expand the official game. With this insert, we create additional storage space for legend cards.LEVA-FANL-3D consists of 3 identical card holders that can be removed individually and placed anywhere on the game table. The three boxes fill exactly one of the small expansion boxes (from New Heroes, The Star Shield or Dark Heroes). The box lid closes flush. We do not recommend storing the box on edge, as it is so narrow that it would easily tip over without support.As with all 3D-printed models, minor imperfections may occur. The product images are only examples of what the finished product may look like. Colours may vary. All products are supplied unpainted.Details- 3 boxes removable- Lid closes flush- Supports premium card sleeves (max. outer dimensions 133 x 89 mm)- "Ready to Use" no assembly required- Hobby product.
