Product Description

Compatible with The Legends of Andor: The Last Hope and the Dark Heroes expansion. When the heroes return to Andor, they find it devastated and plundered. They set out to save the Andori. This large expansion can be played without components from the first two parts and is therefore full to the brim with game material. Once again, our mission comes to the rescue and saves Andor from chaos. A placeholder is also included to make up for the missing hero boards if you don't have the Dark Heroes expansion. Once all the boxes have been placed in the box, there is a recess to insert the hero and equipment boards. The game board and instructions are then placed on top. The box lid closes flush. The box can easily be stored on edge. This item is supplied as a kit that needs to be assembled. We recommend the use of wood glue (not included in the package).
