Product Description

To ensure that nothing happens to your army on the way to the next mission, you get the matching MAXI bag including Feldherr foam inserts to protect your miniatures. Each miniature in your collection has its own custom-fit compartment. This keeps your models safely in place during transport. The soft foam not only protects the delicate parts of your figures. The colours of painted miniatures are just as safe from abrasion and scratches. The Feldherr MAXI bag is made of particularly hard-wearing material. Padded side sections and a reinforced base ensure that the miniatures are also protected during transport by car or train. In addition to the large main compartment, the bag has a small compartment with a zip at the front. Here you can store booklets and other small items, for example. There is a rubberised, handy carrying handle on the top. If you prefer to have your hands free, you can carry the bag comfortably as a shoulder bag thanks to the sturdy, detachable shoulder strap.
