Product Description

Sweet Mess: The Baking Competition - Compete in a baking competition where you prepare recipes in a chaotic kitchen. Welcome to the Sweet Mess baking competition! You and your competitors have worked hard to get here, and the pastry chef can't wait to see how you get on with his famous recipes. The Sweet Mess kitchen is chaotic through and through. Work smarter and more efficiently than your competitors and you might win the competition! Game overview: During the competition, you collect ingredients from trays, prepare recipes and complete them to win awards. The more recipes you complete, the more skilful you become and the more points you receive. You can use special kitchen machines and Golden Thalers for tactical advantages. And now get baking. Important! The following components are ONLY included in the Deluxe Edition: - Plastic ingredient chips - 4x trays for the player boards - Tray for ingredient chips - Tray for cards and tokens. Details - Players: 1 - 4 - Age: 10 years and up - Playing time: 45-90 minutes - Language: German
