Product Description

Store all 16 models from the Death Guard: Death Guard - Plague Warband set neatly and transport them safely - Additional space for 17 more miniatures This MAXI bag, filled with matching Feldherr foam inserts, offers space for all 16 miniatures and accessories from the Death Guard: Death Guard - Plague Warband set from GamesWorkshop. Precisely fitting compartments made of soft foam reliably protect your miniatures from damage and ensure that your painted units arrive safely at the gaming table without scratches. To allow your army to grow, you can store up to 17 additional figures in the bag. The matching foam lid completes the set. Use it as a cover so that nothing can fall out during transport. The inserts fit exactly into the robust MAXI bag. This is made of particularly hard-wearing material. In addition, padded side panels and a reinforced base ensure that your miniatures are well protected from external influences, even when being transported by car or train. In addition to the large main compartment, the bag has a small compartment with a zip at the front. There is a rubberised, handy carrying handle on the top. If you prefer to have your hands free, you can also use the bag as a shoulder bag thanks to the hard-wearing, detachable shoulder strap.
