### Product Description

Store all 16 models from the Dark Omen neatly and transport them safely - Additional space for 24 more miniatures This MAXI bag, filled with matching Feldherr foam inserts, offers space for all 16 models from the Dark Omen from GamesWorkshop. Precisely fitting compartments made of soft foam reliably protect your miniatures from damage and ensure that your painted units arrive safely at the gaming table without scratches. You can store up to 24 additional figures in the bag so that your armies can grow even further. The inserts fit exactly into the robust MAXI bag. This is made of particularly hard-wearing material. In addition, padded side sections and a reinforced base ensure that your miniatures are well protected from external influences, even when being transported by car or train. In addition to the large main compartment, the bag has a small compartment with a zip at the front. There is a rubberised, handy carrying handle on the top.
