### Product Description

Summon a mighty warcaster army and transport up to 60 miniatures with this Feldherr MAXI PLUS bag. To win the war over Hyperuranion in favour of your faction, you have assembled 60 warrior models behind you. But there are many dangers lurking on the road to victory. To ensure that your detailed miniatures are always well protected, we have the matching MAXI PLUS bag including customised Feldherr foam inserts for you. This ensures that your army arrives unscathed on the battlefields of Hyperuranion. The set consists of:- 1 Feldherr MAXI PLUS bag- 3 half-size foam inserts with 10 compartments each for warjacks, small and medium base miniatures (HSMFAH070BO)- 3 half-size foam inserts with 10 compartments each for small and medium base miniatures (HSLM050BO)- 1 half-size foam insert with 10 compartments for game material (HSFW045BO)- 1 half-size foam mat, 5 mm, for height levelling- 1 foam coverWe have packed 6 half-size foam inserts in the bag to protect your miniatures. Whether it's Warjacks or Imperial Weavers, each miniature has a suitable compartment. Thanks to the customised cut, the miniatures have a firm fit. Even if transport is a little bumpy, the figures remain in place. The soft, fine-pored foam protects intricate details from breaking off and the colours of your painted models from scratches and paint abrasion. Once your figures are packed, we turn our attention to your game material. We have added a half-size insert with 10 compartments to the set to store them properly. You sort the playing cards into 2 card compartments. To make it easier for you to remove the cards, the corresponding card compartments have finger-thick cut-outs.
