### Product Description

Ideal for storing and transporting tabletop and board game miniatures on a 40 mm base as well as large tanks and monsters. Are you looking for a way to transport your miniatures collection safely to your next game night? Feldherr declares the search is over! Our MAXI PLUS bag with matching foam inserts allows you to neatly store large tanks or monsters and up to 44 other models. The fine-pored foam protects your miniatures from damage in the best possible way - sensitive parts are preserved and the colour applied to painted models is not scratched. The set contains: - 1 Feldherr MAXI PLUS bag - 2 full-size foam inserts with 22 compartments each for miniatures on a 40 mm base (FSMEZZ050BO) - 1 full-size raster foam insert for large tanks and monsters (FS100RS) - 1 matching foam base - 1 matching foam lid. The 44 compartments of the two full-size inserts have the following dimensions: - 24 compartments: 60 mm long x 45 mm wide x 40 mm deep - 12 compartments: 65 mm long x 45 mm wide x 40 mm deep - 8 compartments: 73 mm long x 40 mm wide x 40 mm deep. The 100 mm high grid foam insert, suitable for your large tanks and monsters, is specially pre-perforated. Grid pins with a base area of 14 mm x 14 mm x 100 mm high can be removed individually from the insert. This allows you to configure the areas required for your vehicles yourself. As soon as you have punched out the compartments, remove the film from the grid foam insert and glue the foam base to the insert - this ensures that your vehicles do not fall out. Of course, the inserts fit exactly into the sturdy MAXI PLUS bag. This is made of particularly hard-wearing material. Padded side sections and a reinforced base also ensure that your models are optimally protected from external influences, even when being transported by car or train. In addition to the large main compartment, the bag has a small compartment with a zip at the front. There is a rubberised, handy carrying handle on the top. If you prefer to have your hands free, you can also use the bag as a shoulder bag thanks to the wear-resistant, detachable shoulder strap. Dimensions of the MAXI PLUS bag: - Internal dimensions: approx. 345 mm length x 275 mm width x 220 mm height - External dimensions: approx. 390 mm length x 330 mm width x 230 mm height. Dimensions of the inserts: - FS100RS: 345 mm x 275 mm x 100 mm height - FSMEZZ050BO: 345 mm x 275 mm x 50 mm height - Fine-pored foam - Made in Germany - Chlorine-free and acid-free
