### Product Description

Practical MEDIUM bag for transporting 37 miniatures from the Pinups Of Death - Series IV and Series V. Anyone who has ever held a Kingdom Death figure in their hands knows how extraordinary their design is. The fine details and dynamic poses immediately catch the eye. Unfortunately, the fine structures come at a price: the miniatures are very delicate and parts can easily break off. To prevent such a catastrophic event from occurring, there is the handy MEDIUM bag including Feldherr foam inserts. Your figures are well protected and can be transported safely. The set consists of: - 1 Feldherr MEDIUM bag - 1 full-size foam insert with 22 compartments (FSMEZZ050BO) - 1 half-size foam insert with 10 compartments (HSMEFF060BO) - 1 half-size foam insert with 5 compartments (HSMEJK060BO) - 1 foam lid. To protect your miniatures, we have packed the MEDIUM bag to the brim with foam inserts. Whether it's Honeycomb Weaver or Dung Beetle Dancer, each miniature has its own compartment. With Series IV and V safely stowed away, there are still 13 compartments free for additional models, such as Series I models and Satan Twins. Thanks to the precise cut, the miniatures have a firm fit. Even if transport is a little bumpy, the figures stay in place. The soft, fine-pored foam protects intricate details from breaking off and the colours of your painted models from scratches and paint abrasion. The following figures fit in this bag: - Pinups Series IV: Frogdog Armor, Pond Scum Armor, Mountain Dungeon Armor, Nightmare Ram Armor, Remastered Apotheosis, Male Nightmare Ram Armor, Black Knight Armor, Faceless Survivor, Honeycomb Weaver, Percival Painter's Scale, Ramette, Upside Down Survivor, Titan Bee Armor - Pinups Series V: Male Manhunter, Manhunter, 54mm Dung Ball, Dung Beetle Dancer, 54mm Dung Beetle Knight, Male Dung Beetle Dancer, Male Screaming God Armor Game Scale, Screaming God Armor, Male Goblin Dragon, Goblin Dragon, Male Screaming God Armor Painter's Scale. The 10 compartments of HSMEFF060BO have the following dimensions: - 8 compartments: 54 mm long x 41 mm wide x 50 mm deep - 2 compartments: 54 mm long x 93 mm wide x 50 mm deep. The 5 compartments of HSMEJK060BO have the following dimensions: - 4 compartments: 78 mm long x 60 mm wide x 50 mm deep - 1 compartment: 137 mm long x 78 mm wide x 50 mm deep. The foam lid supplied ensures that the models are also optimally protected from above. This means that nothing can fall out of the compartments during transport. The playing cards can be stored on the foam insert or in the small compartment at the front. The Feldherr MEDIUM bag is made of particularly hard-wearing material. Padded side panels and a reinforced base also ensure that the contents are optimally protected from external influences, even when being transported by car or train. In addition to the large main compartment, the bag has a small compartment with a zip on the front. It can also be locked and unlocked with an optional padlock.
