Product Description

This MEDIUM bag, filled with the matching Feldherr foam inserts, offers space for all 7 miniatures from the Warhammer 40,000: Dark Omens set from GamesWorkshop. Precisely fitting compartments made of soft foam reliably protect your miniatures from damage and ensure that your painted units arrive safely at the gaming table without scratches. To allow your army to grow, you can store up to 11 more figures in the bag. The matching foam lid completes the set. Use it as a cover so that nothing can fall out during transport. The Feldherr MEDIUM bag is made of particularly hard-wearing material. Padded side panels and a reinforced base also ensure that the contents are well protected from external influences, even when being transported by car or train. In addition to the large main compartment, the bag has a small compartment with a zip at the front. Here you can store your Codex and other small items, for example. There is a rubberised, handy carrying handle on the top. If you prefer to have your hands free, you can also carry the bag comfortably as a shoulder bag thanks to the sturdy, detachable shoulder strap.
