Product Description

To ensure that nothing happens to your army on the way to the next mission, you get the matching MEDIUM bag including Feldherr foam inserts to protect your miniatures. If your army expands, you'll be well equipped with this bag! There is still room for 27 additional miniatures. Each miniature in your collection has its own custom-fit compartment. This means your models stay safely in place during transport. The soft foam not only protects the delicate parts of your figures. The colours of painted miniatures are just as safe from abrasion and scratches. The included foam lid completes the set. It ensures that your miniatures are optimally protected from all sides by foam. The Feldherr MEDIUM bag is made of particularly hard-wearing material. Padded side panels and a reinforced base also ensure that the contents are optimally protected from external influences, even when transported by car or train. In addition to the large main compartment, the bag has a small compartment with a zip at the front. It can also be locked and unlocked with an optional padlock. Here you can store the Codex and other small items, for example. There is a rubberised, handy carrying handle on the top. If you prefer to have your hands free, you can also carry the bag comfortably as a shoulder bag thanks to the sturdy, detachable shoulder strap.
