Product Description

Foam-filled Maxi Plus bag for all miniatures and the complete accessories for the basic game of Zombicide: Invader. After the zombie apocalypse in modern times and the fantasy zombicide in the Dark Ages, it's off to the depths of space with "Zombicide: Invader". But no matter when, no matter where and no matter what your bloodthirsty enemies are called, with this Feldherr MAXI PLUS bag you'll always have everything you need. It allows you to transport your miniatures and the game material from the "Zombicide: Invader" base game comfortably and well protected to the edge of the galaxy. Or to the next game night with your friends. A compartment for every miniature, whether simple worker, not-so-peaceful peacekeeper bot or foul monster. Your miniatures will find a suitable compartment in the four Feldherr foam inserts provided. Embedded in high-quality, soft foam, the sensitive parts of your figures are reliably protected from damage. The colours of the painted miniatures are just as safe from abrasion and scratches. You can store your rulebook, cards and game material in the full-size insert with the large compartment (FS050I031BO). Survivor boards, markers, playing cards and other accessories, as well as the 6 hero models, are stored in the spacious compartments of the full-size insert FSMEQV050BO. The foam lids supplied seal the whole thing off. They ensure that the miniatures are protected from all sides. The comfortable Feldherr MAXI PLUS bag is made of particularly hard-wearing material. In addition, padded side panels and a reinforced base ensure that your miniatures are optimally protected from external influences, even when being transported by car or train. In addition to the large main compartment, the bag has a small compartment with a zip at the front. Here you have space for writing materials, booklets and other small items, for example. There is a rubberised, handy carrying handle on the top. If you prefer to have your hands free, you can also use the bag as a shoulder bag thanks to the hard-wearing, detachable shoulder strap.
