The contents of the following sets can be accommodated in the bundle: - Batman: Miniature Game 3rd Edition - Back to Gotham Starter Set- Batman: Miniature Game 3rd Edition - The Court of the Owls Talon's Night To protect your miniatures, we have packed 2 half-size foam inserts in the bag. Whether Batman, Joker or a member of the Court of the Owls, each miniature has its own compartment. Thanks to the precise fit, the miniatures sit firmly in their compartments. Even when being transported through Arkham Asylum, the figures do not slip and remain in place. The soft, fine-pored foam protects intricate details from breaking off and the colours of your coloured models from scratches and paint abrasion. Now that we've taken care of your miniatures, let's turn our attention to your game material. The set includes a half-size foam insert with corresponding card compartments for your playing cards. All the playing cards can be neatly stored here. The insert is complemented by a plastic card holder. This fits into one of the card slots. This means you can also keep your mini cards neatly organised. Of course, all cards also fit with protective sleeves. The set includes a plastic assortment box for your small game material. This has a modular design. This allows you to organise it according to your own ideas and store your game material as you wish. Finally, a foam lid ensures that your figures are securely packed in the bag and protected for transport to the gaming table. We have added a sturdy storage box to the set so that your terrain doesn't have to stay at home. As long as the terrain pieces are not put together, you can use the box to transport them to your friends in a well-protected manner. The storage box also offers space for measuring sticks, double-sided templates and the rulebook. The terrain pieces and your accessories are in good hands in the Feldherr storage box FSLB040. The box is made of coated, double-walled cardboard. This makes it not only pleasantly light, but also particularly tear-resistant and stable.
