Product Description

The once peaceful Galactic Republic is sinking into war. More and more worlds are in flames and the Republic is fighting for its survival. With this Feldherr MEDIUM bag, filled with customised foam inserts especially for the Republic's fleet starter set and starfighter squadron expansion, you'll be perfectly equipped for the fight against the Separatists. The set offers space for:- 1 Acclamator-class assault transporter- 2 Consular-class military cruisers- 4 V-19 Torrent squadrons- 8 Republic starfighter squadrons (2 squadrons of Delta-7 Aethersprites, 2 squadrons BTL-B-Y-Wing, 2 squadrons ARC-170, 2 squadrons V-19-Torrent)- maps, plastic bases, support poles/fins, ship markers, scale, squadron discs and command wheels. The set includes:- 1 Feldherr MEDIUM bag- 1 half-size foam insert for 2 Consular-class military cruisers + 1 Acclamator-class assault transporter incl. accessories (HSMFAT050) accessories (HSMFAT050BO)- 1 half-size foam inlay for 12 squadrons (HSDT050BO)- 1 half-size foam inlay for playing cards, dice and other accessories (HSMEQO050BO)- 1 assortment box for tokens and small game components (FHBOX01)- 1 foam cover. The large ships in your fleet have their own inlay. A large compartment is customised for the Acclamator-class attack transporter miniature. Surrounded by soft foam, the delicate edges and other fine parts of the model are protected from damage. The colours of the painted model are also reliably protected against scratches and abrasion. You can also store two Consular-class military cruisers in compartments that have been cut to fit the miniature exactly. There is also a large compartment for the ship's bases. The holding fin can also be stored here. The ship cards and markers can also be stored here if required. You can use the remaining three round and two square compartments to store command and thrust wheels and other accessories. You will find the appropriate compartments on the second foam insert to store the V-19 Torrent squadrons from the starter set and the 8 miniatures from the Armada expansion pack "Republic Starfighter Squadrons". Each of the 12 squadron miniatures, including bases, has its own compartment here. To ensure that the accessories are also properly stored, the pack also includes a third foam insert and an assortment box. There is enough space here for sorting cards, dice, markers and other accessories. The assortment box has 5 elongated compartments. These can be further subdivided using the 12 dividers supplied. This allows you to divide up to 17 compartments for storing your game materials.- When the dividers are not inserted, the longest compartment in the centre is 260 mm long x 46 mm wide x 35 mm deep. Finally, the foam lid supplied ensures that your fleet is securely packed all round and survives transport to the gaming table undamaged. The Feldherr MEDIUM bag is made of particularly hard-wearing material. Padded side panels and a reinforced base also ensure that the miniatures are excellently protected from external influences, even when transported by car or train. In addition to the large main compartment, the bag has a small compartment with a zip on the front. Here you can store booklets and other small items. There is a rubberised, handy carrying handle on the top. If you prefer to have your hands free, you can also carry the bag comfortably as a shoulder bag thanks to the sturdy, detachable shoulder strap. Dimensions of the MEDIUM bag:- Internal dimensions: approx. 345 mm x 275 mm x 120 mm- External dimensions: approx. 390 mm x 330 mm x 140 mm Each of the 3 foam inserts has the following dimensions: 275 mm x 172 mm x 50 mm total height (40 mm usable height + 10 mm base) The assortment box has the following dimensions: 272 mm x 189 mm x 46 mm- high-quality, fine-pored foam - Made in Germany- chlorine-free and acid-free
