Product Description

The Separatists are ready to crush the Galactic Republic. Take the war to the worlds of the Republic and replace the old order with the rule of the Separatist movement. With this Feldherr MEDIUM bag, filled with individual foam inserts especially for the Fleet Starter Set and the Starfighter Squadron expansion of the Separatist Alliance, you'll be ready for it anytime, anywhere. The set offers space for: - 1 Munificence-class frigate- 2 Hardcell-class freighters- 4 Vulture-class droid fighter squadrons- 8 Separatist starfighter squadrons (2 squadrons of Hyena-class droid bombers, 2 squadrons of Tri-Droid fighters, 2 squadrons of Belbullab-22 starfighters, 2 squadrons of Vulture-class droid fighters)- Cards, plastic bases, support poles/fins, ship markers, scale, squadron discs and command wheels. The set includes: - 1 Feldherr MEDIUM bag- 1 half-size foam inlay for 2 Hardcell-class freighters + 1 Munifizenz-class frigate incl. accessories (HSMFAU050). accessories (HSMFAU050BO)- 1 half-size foam inlay for 12 squadrons (HSMT050BO)- 1 half-size foam inlay for playing cards, dice and other accessories (HSMEQO050BO)- 1 assortment box for tokens and small game material (FHBOX01)- 1 foam cover. The large ships in your fleet have their own inlay. The large compartment is customised for the Munifizenz-class frigate. Surrounded by soft foam, the delicate parts of the miniature are protected from damage. The colours of the painted model are also reliably protected against scratches and abrasion. Two additional compartments are available for the two Hardcell-class space freighters. These are customised for one model each, including the support rod. There is also a large compartment for the ship bases. The holding fin can also be stored here. The ship cards and markers can also be stored here if required. This leaves two round and four narrow compartments for storing command and thrust wheels and other accessories. You will find the matching compartments on the second foam insert for storing the droid fighter squadrons from the starter set and the 8 miniatures from the Armada expansion pack "Separatist Starfighter Squadrons". Each of the 12 squadron miniatures, including bases, has its own compartment here. To ensure that the accessories are also properly stored, the pack also includes a third foam insert and an assortment box. There is enough space here for sorting cards, dice, markers and other accessories. The assortment box has 5 elongated compartments. These can be further subdivided using the 12 dividers supplied. This allows you to divide up to 17 compartments for storing your game materials. - When the dividers are not inserted, the longest compartment in the centre is 260 mm long x 46 mm wide x 35 mm deep. Finally, the foam lid supplied ensures that your fleet is securely packed all round and survives transport to the gaming table undamaged. The Feldherr MEDIUM bag is made of particularly hard-wearing material. Padded side panels and a reinforced base also ensure that the miniatures are perfectly protected from external influences, even when transported by car or train. In addition to the large main compartment, the bag has a small compartment with a zip on the front. Here you can store booklets and other small items. There is a rubberised, handy carrying handle on the top. If you prefer to have your hands free, you can also carry the bag comfortably as a shoulder bag thanks to the sturdy, detachable shoulder strap. Dimensions of the MEDIUM bag: - Internal dimensions: approx. 345 mm x 275 mm x 120 mm- External dimensions: approx. 390 mm x 330 mm x 140 mm. The assortment box has the dimensions: 272 mm x 189 mm x 46 mm. Each of the 3 foam inserts has the dimensions: 275 mm x 172 mm x 50 mm total height (40 mm usable height + 10 mm base)- high-quality, fine-pored foam - Made in Germany- chlorine-free and acid-free
