Product Description

The end is near. But will it be an end with horror, or a horror without end? Whatever the final outcome, your miniatures and the game material from the "Hunter's Dream" Optional Buy and the Kickstarter exclusive "Hunter's Dream Extras" are always well protected in this Feldherr MEDIUM bag. The set includes:- 1 Feldherr MEDIUM bag- 1 half-size foam inlay for 1 Moon Presence + 2 Executioners + 3 more miniatures (HSMFAK100BO)- 1 half-size foam inlay for 8 miniatures + cards (HSFW045BO)- 1 half-size foam inlay for the miniatures of the "Hunter's Dream Extras" (HS050I012)- 1 foam mat, 4 mm, for height levelling- 1 foam coverWe have packed three half-size inserts in the bag to protect your miniatures and game material. Whether it's boss monsters like Gehrman and the Moon Presence or hunters you're crossing blades with, every miniature will find a suitable compartment in the inserts. The models of the Kickstarter exclusive "Hunter's Dream Extras" are given their own insert. Thanks to the precise cut, the miniatures sit firmly in their compartments. Even when being transported over hill and dale, the figures do not slip and remain in place. The soft, fine-pored foam protects intricate details from breaking off and the colours of your coloured models from scratches and paint abrasion. The well-being of your playing cards is also taken care of. Simply sort them into the corresponding card compartments, recognisable by the finger-thick recesses. Both the playing cards from the expansion and the extras can be neatly stored here. Of course, these also fit with protective sleeves. Finally, a foam lid ensures that your figures are securely packed and protected for transport to the gaming table. The double-sided tile, the tarot cards and the rules booklet can be placed on the lid. The Feldherr MEDIUM bag is made from particularly hard-wearing material. Padded side panels and a reinforced base ensure that the miniatures are well protected even when being transported by car or train. In addition to the large main compartment, the bag has a small compartment with a zip at the front. Here you can store a notebook or rulebook, for example. There is a rubberised, handy carrying handle on the top. If you prefer to have your hands free, you can also carry the bag comfortably as a shoulder bag thanks to the sturdy, detachable shoulder strap.
