Product Description

Do you have your armour ready to hand? Are you sure your equipment is in the best possible condition? Organisation is everything when it comes to winning a war! Our MEDIUM PLUS bag with matching foam inserts creates order and clarity so that you can emerge victorious from the next battle. Each miniature in your collection has its own custom-fit compartment. This keeps your models safely in place during transport. The soft foam not only protects the delicate parts of your figures. The colours of painted miniatures are just as safe from abrasion and scratches. The foam lid supplied completes the set. It ensures that the models are protected from all sides. This means that nothing can fall out of the compartments during transport. The Feldherr MEDIUM PLUS bag is made of particularly hard-wearing material. Padded side panels and a reinforced base also ensure that the miniatures are optimally protected from external influences, even when being transported by car or train. It can also be locked and unlocked with an optional padlock. In addition to the large main compartment, the bag has a small zip pocket at the front. Here you can store booklets and other small items, for example. There is a rubberised, handy carrying handle on the top. If you prefer to have your hands free, you can also carry the bag comfortably as a shoulder bag thanks to the sturdy, detachable shoulder strap.
