Product Description

To ensure your survival in the streets of Washington, we support you with this Feldherr MEDIUM bag incl. foam. The game material and the figures of the campaign expansion for the Second Edition of Zombicide are neatly and safely packed in the practical bag. We have packed one full-size and two half-size inserts in the bag to protect your miniatures and game material. Whether it's a Survivor like Ashley or a Companion like Taylor or The President, every miniature will find a suitable compartment in the 40 mm high insert. Embedded in high-quality, soft foam, the sensitive parts of your figures are reliably protected from damage. The colours of the painted miniatures are just as safe from abrasion and scratches. Once your miniatures have been cared for and packed, we take care of your game material. The two 50 mm high trays provide plenty of space to organise all your cards, tokens, ID cards, dice, board tiles and campaign sheets. For the many small-format cards, a plastic card holder is included in addition to suitable compartments in the full-size insert. You can fit this into one of the large card compartments of the half-size tray. Of course, the cards also fit with protective sleeves. The foam lid supplied closes the deal. It ensures that the miniatures are protected from all sides. The Feldherr MEDIUM case is made of particularly hard-wearing material. Padded side panels and a reinforced base ensure that the miniatures are well protected even when being transported by car or train. In addition to the large main compartment, the bag has a small compartment with a zip at the front. Here you can store a notebook or the Rules & Missions book, for example. There is a rubberised, handy carrying handle on the top. If you prefer to have your hands free, you can also carry the bag comfortably as a shoulder bag thanks to the sturdy, detachable shoulder strap. As with all 3D-printed models, minor imperfections may occur. The product images are only examples of what the finished product may look like. Colours may vary. All products are supplied unpainted.
