Product Description

So you have dedicated yourself to chaos and laid the foundations for your army in the service of Khorne, Slaanesh, Nurgle or Tzeentch with the Start Collecting! Box you have laid the foundation for your army in the service of Khorne, Slaanesh, Nurgle or Tzeentch. To ensure that chaos and destruction only spread on the battlefields, we have a comfortable MEDIUM bag including foam for the safe transport of your miniatures. The bag contains two half-size and one full-size insert, on which all 16 miniatures can be safely and neatly stored. There is also room for more miniatures, as your army is sure to grow. The full-size insert is for storing the mounted units of your horde. The Chaos Lord on Karkadrak and the five Chaos Knights are in good hands here. Precisely fitting compartments and the soft foam reliably protect the delicate parts of your models from damage. The Aspiring Champion and the other nine Chaos Warriors can be placed on one of the two half-size inserts. Each figure is allocated its own compartment. This means that even the painted models are safe from abrasion, chipping paint and scratches during transport. And because you can never have enough warriors, the second insert gives you another 10 compartments for more models. Finally, place the supplied foam lid on top so that your figures are securely packed all round and ready for transport to the gaming table. The Feldherr MEDIUM bag is made of particularly hard-wearing material. Padded side panels and a reinforced base ensure that the miniatures are well protected even when being transported by car or train. In addition to the large main compartment, the bag has a small compartment with a zip at the front. Here you can store the codex and other small items, for example. There is a rubberised, handy carrying handle on the top. If you prefer to have your hands free, you can also carry the bag comfortably as a shoulder bag thanks to the sturdy, detachable shoulder strap.
