**Product Description**

Transport and store all 25 miniatures from the box set safely and conveniently with the shoulder bag. Filled to the brim with unshakeable faith in the God-Emperor, the Sisterhood hunt down the enemies of the Empire as the military arm of the Ecclesiarchy. The "Sisters of Battle" army set is the vanguard of the relaunch of the popular faction and brings you everything you need to build a new Adepta Sororitas army. To ensure that these great miniatures also have a suitable home, we have the matching bag for the Daughters of the Emperor. The bag contains two half-size and one full-size insert, on which all 25 Sisters of Battle miniatures can be safely and neatly stored. There is also space for the dice and other miniatures, as your army is sure to grow. From the Cannoness, the Battle Sisters and the Seraphim to the Penitent Engine - each model is assigned its own compartment and is therefore optimally protected from damage caused by abrasion or bumping into each other. Thanks to the soft foam, the many intricate details are safe from damage. Painted miniatures are also protected from scratches and chipping paint. The foam lid supplied rounds things off and ensures that the miniatures in the top insert are also completely surrounded by foam. You can either place the codex and datacards on top or stow them in the outer compartment on the front of the bag. The comfortable Feldherr MEDIUM bag is made of particularly hard-wearing material. In addition, padded side panels and a reinforced base ensure that your miniatures are well protected from external influences, even when being transported by car or train. In addition to the large main compartment, the bag has a small compartment with a zip at the front. There is a rubberised, handy carrying handle on the top. If you prefer to have your hands free, you can also use the bag as a shoulder bag thanks to the hard-wearing, detachable shoulder strap. This means that all units from the "Sisters of Battle" army set are safely packed and ready for the next battle against the enemies of the Ecclesiarchy.
