Product Description

Safely transport all 10 models of the Disciples of Tzeentch from the GamesWorkshop 'Aether War' playset. For the worshippers of the Chaos God Tzeentch, Lord of Change, Alteration and Magic, technology and mechanics are nothing more than useless gimmicks. The Disciples of Tzeentch prefer to use the power of magic, treachery and the art of deception to satisfy their greed and, above all, the greed of their god. But even the magic of Tzeentch does not protect your miniatures from damage. So it's a good thing that we have this foam-filled MEDIUM PLUS bag to keep your miniatures safe during transport. Your Disciples of Tzeentch will find a safe haven in two half-size and one full-size insert. There is the right compartment for every model. Precisely fitting compartments made of fine-pored, soft foam ensure optimum protection for your figures. Delicate parts, such as the Tzeentchian Spears or their headgear, remain just as intact as the colours of the painted miniatures. The half-size inserts can hold the Magister on Disc of Tzeentch, as well as the Tzaangor Skyfires and Screammers of Tzeentch. There is also space for smaller infantry units, such as the Horrors of Tzeentch or Tzaangors. The 12 compartments on the full-size insert can also be used to store the Magister on the Disc of Tzeentch and the Tzaangor Skyfires. With this set, you still have enough space to expand your army. Finally, a foam lid ensures that your figures are securely packed and ready for transport to the gaming table. The Feldherr MEDIUM PLUS bag is made of particularly hard-wearing material. Padded side panels and a reinforced base ensure that the miniatures are well protected even when transported by car or train. In addition to the large main compartment, the bag has a small compartment with a zip at the front. Here you can store booklets and other small items, for example. There is a rubberised, handy carrying handle on the top. If you prefer to have your hands free, you can also carry the bag comfortably as a shoulder bag thanks to the sturdy, detachable shoulder strap.
