Product Description

But Lord Kranon has another ace up his sleeve. This MEDIUM PLUS bag, filled with the matching Feldherr foam inserts, offers space for all 49 miniatures from the Warhammer 40,000: Storm of Vengeance set from GamesWorkshop. Precisely fitting compartments made of soft foam reliably protect your miniatures from damage and ensure that your painted units arrive safely at the gaming table without scratches. You can store up to 8 additional figures in the bag so that your armies can grow. The matching foam lid completes the set. Use it as a cover so that nothing can fall out during transport. The Feldherr MEDIUM PLUS bag is made of particularly hard-wearing material. Padded side panels and a reinforced base also ensure that the miniatures are well protected from external influences, even when being transported by car or train. It can also be locked and unlocked with an optional padlock. In addition to the large main compartment, the bag has a small zip pocket at the front. Here you can store booklets and other small items, for example. There is a rubberised, handy carrying handle on the top.
