Product Description

Transport all unlocked Stretch Goals from the Reboot Box in this foam-filled Feldherr MEDIUM PLUS bag. So this is how your world ends, not with a big bang or in the blink of an eye, but with a horde of undead breaking through your front door. At least you were able to secure the exclusive Reboot Box via the Kickstarter campaign for the second edition of Zombicide. In the practical Feldherr MEDIUM PLUS bag including foam, you can transport all the stretch goals included in the Reboot Box neatly and safely. Two full-size and two half-size foam inserts are available for your models and cards. Whether it's a former President of the United States, Her Majesty or a despicable Batabomination, each figure is assigned a suitable and secure compartment. Thanks to the precise fit, the miniatures have a firm hold. Even if a zombie nibbles at you during transport, the figures won't slip and will stay in place. The soft, fine-pored foam protects intricate details from breaking off and the colours of your painted models from scratches and paint abrasion. The ID cards, survivor ID upgrade kit cards and the small-format cards are sorted into the appropriate compartments of the inserts. Of course, all cards also fit with protective sleeves. Finally, a survivor ID upgrade kit cards and the small-format cards are sorted into the appropriate compartments of the inserts. Of course, all cards also fit with protective sleeves. Finally, a foam lid ensures that your figures are securely packed and ready for transport to the gaming table. The Feldherr MEDIUM PLUS bag is made of particularly hard-wearing material. Padded side panels and a reinforced base ensure that the miniatures are well protected even when transported by car or train. In addition to the large main compartment, the bag has a small compartment with a zip at the front. Here you can store the rules booklet and other small items. There is a rubberised, handy carrying handle on the top. If you prefer to have your hands free, you can also carry the bag comfortably as a shoulder bag thanks to the sturdy, detachable shoulder strap.
