### Product Description

The upcoming mission should actually be a walk in the park for you. As a Colonial Marine, you fear neither death nor the devil. But the hostile life form that awaits you on Hadley's Hope would scare even the devil. The board game version of the groundbreaking blockbuster contains 23 detailed miniatures and countless game materials. To ensure that all tokens and figures arrive at the gaming table intact, we have the matching Feldherr MEDIUM bag including Feldherr foam inserts for you. All the contents of the "Aliens: Another Glorious Day in the Corps" base game and the "Ultimate Badasses" expansion can be stored and transported well protected in this bag. Transport and storage option for all contents of the base game of the "Ultimate Badasses" expansion by Gale Force Nine. Five half-size foam inserts protect your miniatures and help you sort your game material. The cards also fit into the compartments with sleeves. Rule book, character cards and the game boards can be stored separately in the bag. The set contains: - 1 Feldherr MEDIUM bag - 2 half-size foam inserts for Alien miniatures (HSBE035BO) - 1 half-size foam insert for character miniatures + miniatures from the "Ultimate Badasses" expansion (HS035BO) - 1 half-size foam insert for character miniatures + miniatures from the "Ultimate Badasses" expansion (HS035BO) - 1 half-size foam insert for cards and game material (HSFW045BO) - 1 half-size foam insert for cards and game material (HSMEQ0050BO) - 1 foam mat, 10 mm, for height levelling - 1 foam cover Three half-size foam inserts are available for the miniatures from the base game and expansion. Ripley, the marines and the aliens have matching compartments here. Thanks to the precise fit, the miniatures have a firm hold. Even when being transported through alien-infested territory, the figures do not slip and remain in place. The soft, fine-pored foam protects intricate details, such as the weapons of the marines or the tails of the aliens, from breaking off and the colours of your painted models from scratches and paint abrasion. After the figures have been sent to cryo-sleep, we take care of your game material. We have packed two foam inserts in the bag for this purpose. The cards, tokens and other small game material find suitable compartments in the two high inserts. To make it easier for you to remove the cards from the compartments, the compartments have been provided with finger-wide recesses. This keeps everything clearly organised and always to hand. The foam lid supplied completes the set and prevents your miniatures from falling out of the compartments or hitting the top of the bag during transport. Character cards and game boards can be placed on the foam lid. The Feldherr MEDIUM bag is made of particularly hard-wearing material. Padded side panels and a reinforced base ensure that the miniatures are well protected even when being transported by car or train. In addition to the large main compartment, the bag has a small compartment with a zip at the front. Here you can store a notebook or the rule book, for example. There is a rubberised, handy carrying handle on the top. If you prefer to have your hands free, you can also carry the bag comfortably as a shoulder bag thanks to the sturdy, detachable shoulder strap.
