**Product Description**

Summon a mighty warcaster army and transport up to 30 miniatures with this Feldherr MEDIUM bag. To win the war over Hyperuranion in favour of your faction, you have assembled 30 warrior models behind you. But there are many dangers lurking on the road to victory. To ensure that your detailed miniatures are always well protected, we have the matching MEDIUM bag including customised Feldherr foam inserts for you. This ensures that your army arrives unscathed on the battlefields of Hyperuranion. The set consists of:- 1 Feldherr MEDIUM bag- 2 half-size foam inserts with 10 compartments each for warjacks, small and medium base miniatures (HSMFAH070BO)- 1 half-size foam insert with 10 compartments for small and medium base miniatures (HSLM050BO)- 1 half-size foam insert with 10 compartments for game material (HSFW045BO)- 1 half-size foam mat, 5 mm, for height levelling- 1 foam coverWe have packed 3 half-size foam inserts in the bag to protect your miniatures. Whether it's warjacks or paladin enforcers, every miniature has a suitable compartment here. Thanks to the precise cut, the miniatures have a firm fit. Even if transport is a little bumpy, the figures remain in place. The soft, fine-pored foam protects intricate details from breaking off and the colours of your painted models from scratches and paint abrasion. Once your figures have been packed, we'll turn our attention to your game material. To store this appropriately, we've added a half-size insert with 10 compartments to the set. You sort the playing cards into 2 card compartments. To make it easier for you to remove the cards, the corresponding card compartments have been provided with finger-thick cut-outs. Of course, the cards also fit with protective sleeves. Divide your small game material such as dice or tokens between the remaining 8 compartments.
