Product Description

- The set fits into the original game box of the "Robinson Crusoe: Adventures on the Cursed Island" base game from Pegasus Spiele.- The insert made of sturdy plastic offers you space for all markers, cards and tokens from the base box and the expansion "The Voyage of the Beagle"- Lid protrudes approx. 8 mm above- Supports premium card sleeves (max. outer dimensions 68 x 95 mm and 48 x 73 mm)- Overall size: 285 x 285 x 67 mm- No assembly required. Ready to play straight away.When you wash up on the island, the pockets are initially empty. But as you try to survive in the unknown wilderness, you quickly accumulate items: Lots of maps, adventure and island pieces, food and wood, action tokens, number tiles, weather and shortcut markers and much more. The Feldherr organiser is just what you need to bring order to your jungle storage.The organiser for Robinson Crusoe consists of 11 plastic token holders, 8 of which can be removed individually and placed anywhere on the game table. The three card holders remain in the box.3 Card holders: All cards from the game and the expansion can be stored with or without protective sleeves.Token holder 1: 8 island tilesToken holder 2: 3 island tiles and 3 round adventure tilesToken holder 3: Dice and action cubes, 20 wooden resource cubes and 20 grey markersToken holder 4: All smaller tiles from the main game except for the sequence tilesToken holder 5: Turn marker, resource cubes for fur, food, non-perishable food, white and blue markers and the ship broker from the expansionToken holder 6: The 6 ship tokens, 3 archipelago tokens, 6 secret tokens, 3 Darwin tokens. 2 rudder blade tiles and the change of direction tile from the Beagle expansion and the 22 discovery tiles from the main gameToken holder 7: The small tiles from the expansionToken holder 8: Space for the 6 red number tiles and the single sack tile from the expansion, as well as the 6 sequence tiles from the main game.Once all the token holders have been placed in the box, the Beagle plans and boards are placed in the centre first, followed by the character boards and finally the game board and rule book. The cardboard lid protrudes approx. 8 mm.Robinson Crusoe has been prepared and distributed by various publishers since its release in 2012. This has resulted in some significant differences between the components. The most obvious difference was the box design: in Germany the box was square, but in many other countries it was rectangular.Our organiser is designed for the square Pegasus edition (Medium Square format - 29.7 x 29.7 x 7.1 cm / 11.7 x 11.7 x 2.80 inches).Not suitable for the alternative, larger resource stones of the treasure chest!- thermoplastic plastic thermoplastic- no assembly required - ready to play- 3D printed in GermanyAs with all 3D printed models, minor imperfections may occur. The product images are only examples of what the finished product may look like. Colours may vary. All products are supplied unpainted.
