Product Description

The expansion for Twilight Imperium "The Prophecy of Kings" offers more factions, more miniatures, more game material and even more mechs. Fortunately, you don't have to worry about where to store all of this. The Feldherr Organiser for the "The Prophecy of Kings" expansion keeps your game material neatly organised. This allows you to keep control of your empire and your game material. - The set fits exactly into the board game box of the "Prophecy of Kings" expansion for Twilight Imperium. - All game components of the "Prophecy of Kings" expansion can be stored in the organiser. - All elements of the organiser can be removed individually. - The cards also fit with protective sleeves (max. outer dimensions: 68 x 46 mm). - Expansion rules, galactic chronicles, leader, faction and command sheets can be stored on the foam cover. - Transport and tilt-proof - vertical storage possible. - No assembly required. All parts are ready for immediate use. We have taken control of your board game box so that the game components of the expansion also cut a fine figure. Every miniature, token and card has a suitable place in the 17 token and 7 card holders. This means that your game contents are always well organised and you always know where to look for your tokens. For a quick start to the game, place the trays on the table together with the game material from the base game. You're ready to go. The set includes: - 7 flat plastic token holders, each with 2 compartments for game material such as command markers, control markers and a recess for cards. - 2 large plastic token holders, each with 5 compartments for game material such as system and hyperroute boards, dice, trade goods and mass product markers (double-sided), infantry markers, fighter markers & other tokens and markers. Place the spiral wormhole nexus on top. - 2 flat plastic token holders, each with 10 compartments for basic plastic game units, sorted by player colour. - 2 plastic token holders as inserts, each with 1 compartment for plastic mech units, sorted by player colour. - 2 plastic token holders, each with 4 compartments for expansion game material such as Mirage planet markers, Destroyed planet markers, Reinforcement markers, Ion storm markers, Dimensional tear markers, Gamma wormhole markers, UI sleeper markers, Wild space markers. - 2 plastic token holders, each with 3 compartments for the mech units matching the basic game. - 1 flat plastic card holder with 2 compartments for strategy cards + assimilator markers. - 6 small plastic card holders with 3 compartments each for game cards such as action cards, relic cards, contract cards, leader cards, mech unit cards, ability cards for legendary planets, technology cards. The organiser supports premium protective sleeves (max. dimensions 68 x 46 mm). outer dimensions: 68 x 46 mm). After all trays have been filled and you have put everything into the game box, cover the token and card holders with the foam lids. The expansion rules, galactic chronicles, leader, faction and command sheets are stored on the foam lid. - thermoplastic plastic thermoplastic- 3D printed in Germany As with all 3D printed models, minor imperfections may occur. The product images are only examples of what the finished product may look like. Colours may vary. All products are supplied unpainted.
