Product Description

Store the game material of the expansion "The Prophecy of Kings" with the upgrade set for the Feldherr Organiser (ORG032) in the Twilight Imperium base game box. More players, more spaceships, more game material. More of everything! And mechs to boot. And you don't have to worry about where to put it all. Because with the upgrade set for your Feldherr Organiser (ORG032), both the basic game and the expansion fit into the basic game box. - The set of 9 card holders and 21 plastic token holders complements the Feldherr Organiser (ORG032) for the "Twilight Imperium" 4th Edition - basic game. - The upgrade set fits into the original base game box of the 4th edition of "Twilight Imperium". - Feldherr Organiser (ORG032) + Upgrade Set (ORG035) offer space for the entire game material of the base game and the expansion "Prophecy of Kings". - All elements of the upgrade set can be removed individually. - The cards also fit with protective sleeves (max. outer dimensions: 68 x 46 mm). - The rulebook, rule references, expansion rules, galactic chronicles, victory point track, faction and command sheets are stored on the foam cover. - The upgrade set (ORG035) only works in combination with our organiser (ORG032) for the original basic game box. - The lid of the basic game box filled with the Feldherr organiser (ORG032) and upgrade set (ORG035) protrudes approx. 4 cm. - Transport and tilt-proof - vertical storage possible. - No assembly required. All parts are ready for immediate use. The upgrade set includes: - 7 flat token holders made of plastic, each with 2 compartments for game material such as command markers, control markers and a recess for cards. - 2 large token holders made of plastic, each with 5 compartments for game material such as system and hyperroute boards, dice, trade goods and mass product markers (double-sided), infantry markers, fighter markers & other tokens and markers. Place the spiral wormhole nexus on top. - 2 flat plastic token holders, each with 10 compartments for plastic base game units, sorted by player colour. - 8 plastic token holders, each with 1 compartment for plastic mech units, sorted by player colour. - 2 plastic token holders, each with 4 compartments for expansion game material such as Mirage planet markers, Destroyed planet markers, Reinforcement markers, Ion storm markers, Dimensional rift markers, Gamma wormhole markers, UI sleeper markers, Wild space markers. - 1 flat plastic card holder with 2 compartments for strategy cards + assimilator markers. - 2 small plastic card holders with one compartment for playing cards such as action cards, relic cards, contract cards, leader cards, ability cards for legendary planets. - 6 small plastic card holders with 3 compartments each for playing cards such as technology cards, mech unit cards. As with all 3D-printed models, there may be minor imperfections. The product images are only examples of what the finished product may look like. Colours may vary. All products are supplied unpainted. - thermoplastic - no assembly required - ready to play - 3D printed in Germany
