shipping weight: 0.60 kg
Manufacturer: Feldherr

Product Description

Just throw the last Elder Sign at the Evil One and you'll have prevented the arrival of the Great Old One and the end of the world that comes with it. But where did you put the cardboard marker? And what are your fellow players looking for on the floor? If you want to save the world, you need to avoid scenes like this. Tediouly searching for the right tokens and the disappearance of the little investigator cards can not only disrupt the flow of the game, but can also really spoil the fun. To prevent this from happening, we have the right Feldherr Organiser for the Revised Edition of "The Elder Sign" for you. This organiser keeps the basic game box and the game table tidy. This way you always have your game material in view and show the Great Old Ones that humanity will not perish without a plan. - The organiser fits exactly into the original board game box of "The Elder Sign" - Revised Edition base game. - It offers space for all game cards and the entire game material of the base game. - The organiser is designed so that cards from expansions can also be stowed away. - There are two spaces for each card type. There are two individually removable card holders for each card type. - All cards fit into the card compartments even with protective sleeves (max. external dimensions: 125 x 75 mm and 69 x 45 mm). - A total of 120 large format cards (240 cards unsleeved) and 320 small format cards (640 cards unsleeved) fit into the organiser. - Use the monster holder to draw opponents directly. - Character stands for the character markers prevent the character markers from being lost during the game. - Place the initial reference sheet and the game instructions on the organiser. - Transport and tilt-proof - can be stored vertically - Ready to use - No assembly required. While you decipher the Elder Sign and save the world, we take care of organising your board game box and keeping the game table tidy. Your faithful helpers are four plastic card holders and five plastic trays for your small game materials. This keeps your game material organised and clearly arranged. To start the game quickly, take the individually removable trays out of the box and spread them out on the table. Give each player a character standee so that their investigators don't disappear into thin air in the middle of the battle. Tidying up after the game is also quick and easy. Place cards and tokens in the corresponding inserts and put them back in the board game box. Everything is tidy and ready for the next round. The set consists of: - 2 plastic card holders, each with one compartment for large-format cards such as investigator cards, Great Age cards, adventure cards and adventure cards for Other Worlds - 2 plastic card holders, each with five compartments for small-format cards such as simple items, special items, spells, allies and mythos cards - 4 plastic token holders, each with three compartments for small-format game material such as dice and cardboard markers (investigator markers, Health tokens, Stamina tokens, Clue tokens, Doom tokens, Elder Signs) - 1 plastic monster holder with a compartment for monster tokens, mask monster tokens and character standees + recess for the cardboard clock - 4 plastic character standees The organiser has the following dimensions: approx. 246 mm long x 246 mm wide x 48 mm high As with all 3D-printed models, minor imperfections may occur. The product images are only examples of what the finished product may look like. All products are provided unpainted. - thermoplastic - made from renewable raw materials - no assembly required - ready to play - 3D printed in Germany
