Product Description

Marquise de Katz certainly didn't expect so much resistance. It seems as if new resistance groups are crawling out of every knothole, river and small bush to make life difficult for the cats. With the number of expansions, has the chaos in your board game box also increased? No problem, with this Feldherr Organiser you get back control of your game box and can clearly organise the game material of the basic game and the expansions. - The Feldherr Organiser fits into the original basic game box of "Root". - The set offers space for all the game material of the basic game and for the game material of the expansions. - The cards also fit with protective covers. The cards also fit into the card compartments with protective sleeves (max. outer dimensions: 93 x 67 mm). - Place the game boards, instructions and party boards on the plastic inserts. - The lid of the box protrudes approx. 4 cm. For a flush-fitting lid, transport only 1 manual, 3 party boards and 1 game board in the basic game box. - The organiser was designed for board game boxes with external dimensions of 290 x 226 x 74 mm. It is not compatible with the French edition published by Matagot (external dimensions: 368 x 298 x 108 mm). - Transport and tilt-proof - Vertical storage possible - No assembly required. All parts are ready for immediate use. The organiser set is compatible with: - Root base game- Riverfolk expansion- Underworld expansion- Clockwork expansion- Vagabond expansion- Exiles and PartisansThe 12 resin class markers, available via the Kickstarter version, do not fit and must be transported separately. War in the Woodlands. Each faction forges its own plans to come to power. And while you're trying to contain the chaos in the forest, we've dedicated ourselves to clearing up the mess in your board game box. Eleven token holders and two card holders made of robust plastic ensure that your game material is well organised and always ready to hand. This saves you valuable time when setting up the game, as there is no need for time-consuming pre-sorting. To start the game quickly, spread the trays out on the table and you're ready to go. Some of the trays can be placed directly on the game board as a game set-up aid. The set consists of: - 4 plastic token holders, each with 3 compartments for faction-specific game material such as markers and meeples. - 1 plastic token holder with 5 compartments for game material such as class markers, ruin tokens and playing field support. - 1 plastic playing field support with 12 compartments for tokens such as item tokens. Can be used directly on the playing field. - 2 plastic card holders, each with 2 compartments for playing cards. Cards also fit into the compartments with a protective cover (max. outer dimensions: 93 x 67 mm). - 4 plastic token holders, each with 2 compartments for faction-specific game material such as markers and meeples, as well as small game material such as dice, cave, tower and ferry markers. - 1 plastic token holder with 6 compartments for game material such as markers from the River People expansion, item tokens and other markers. The markers for hidden paths and the wooden card holder are placed in the centre of the large token holders. This places them between the card holders and the small faction-specific token holders. Place the game boards, the party boards and the instructions on the plastic inserts. The lid of the box protrudes approx. 4 cm. For a flush-fitting lid, transport only 1 set of instructions, 3 party boards and 1 game board in the basic game box. The remaining party boards, instructions and game boards can be stored in the board game boxes of the expansions. The organiser set measures: 277 mm long x 213 mm wide x 50 mm high. - thermoplastic- made from renewable raw materials- no assembly required - ready to play- 3D printed in GermanyAs with all 3D printed models, there may be minor imperfections.
