Product Description

In Middara, you are transported to a parallel world full of bizarre monsters. Every decision you make will have an impact on your adventure. The matching Feldherr Organiser for the base game is available to prevent wrong decisions from causing chaos in your box. It gives the contents of your box the right structure and keeps everything clearly organised. The organiser set offers space for all game materials and miniatures from the "Middara: Unintentional Malum - Act 1" base game. Fits into the original board game box of the "Middara: Unintentional Malum - Act 1" base game. The original plastic inserts are required to store the miniatures in the game box. All components of the organiser can be removed individually and distributed on the table for the game. The storage solution for the dice also serves as a practical dice cup. Tarot cards (max. outer dimensions 124 mm x 74 mm with protective cover), normal-sized cards (max. outer dimensions 96 mm x 63 mm with protective cover) and the small cards (max. outer dimensions 69 mm x 45 mm with protective cover) also fit in the card holders with protective covers. The lid of the box protrudes approx. 3 cm. Rulebook, Adventure Book, Diagram Book, Crawl Book, Bounty Book, Adventure Sheets, Tiles, Region Map and Adventurer Cards, Combatant Cards and Hidden Card Deck can be stored separately in the box. transport and tilt-proof - vertical storage possible - "Ready to Use" - no assembly required. While you are up to your neck in adventure, we have taken over the organisation in your basic box. The 10 token and 5 card holders, as well as the dice cup, keep your basic game box organised. This means you always have an overview, can start playing faster and concentrate on an exciting adventure. To start the game quickly, simply take the required trays out of the box and spread them out on the game table. Your adventure can begin. The set consists of: 2 card holders, each with 3 compartments for small cards (Small Hidden Card Deck, Initiative Cards, Familiar Cards, Combatant Loot Cards, Story Cards). 2 card holders with 2 compartments each for normal-sized cards (Medium Hidden Card Deck, Discipline Cards, Item Cards, Monster Loot Cards, Story Cards). 1 card holder with 1 compartment for tarot cards (Exalted Esper Cards, Abraxis Cards, Quick Reference Cards) and the Red Reveal Decoder. Also holds the large-format cards (Adventurer Cards, Combatant Cards and Hidden Card Deck) in the box. 2 token holders with 10 compartments each for Ability, Combatant and Effect Tokens. 1 token holder with 14 compartments for Terrain Tokens. 1 token holder with 12 compartments for Urgency Tokens, Tracker Tokens, Encounter Tokens, Stamina Point Tokens and Damage Tokens. 2 token holders with 2 compartments each for Ability, Combatant and Effect Tokens. 2 token holders, each with 2 compartments for cardboard tokens. 2 token holders, each with 4 compartments for cardboard tokens. 2 token holders, each with 3 compartments for bases. 1 dice cup for storing dice and can be used for rolling dice in the game. This keeps your game material clearly organised and ready to hand at all times. The miniatures are stored in the original plastic inserts. If you want to add more colour to your game and paint the figures, we recommend the optional Feldherr storage box with matching foam inserts for your models (FSLB150P13). Here your figures enjoy optimum protection thanks to the soft, fine-pored foam. You can store the rulebook under the large original plastic insert. Place the Adventure Book, Diagram Book, Crawl Book, Bounty Book and the Adventure Sheets between the square foam lids on the low trays. Place the tiles on the small original insert. Adventurer Cards, Combatant Cards and Hidden Card Deck are placed between the long foam lids on the tiles. The card holder holds the tarot cards in place. Finally, the Region Map is placed on the contents of the box. High-quality, fine-pored foam - Chlorine-free and acid-free - Made in Germany. As with all 3D-printed models, minor imperfections may occur. The product images are only examples of what the finished product may look like. Colours may vary. All products are supplied unpainted. - thermoplastic - no assembly required - ready to play - 3D printed in Germany
