Product Description

Since the Middle Ages, the port of Le Havre has been one of the most important trading centres in France. And since then, Le Havre has attracted an increasing number of fortune-hunters dreaming of making a small fortune. Your success depends on your wits and the right planning. The latter is not easy with over 420 markers, more than 100 cards and even more game materials. This Feldherr organiser will help you in your endeavour. It keeps the box tidy and the game table clear. - The organiser fits into the original base game box of Le Havre: Complete Pack. - The set offers space for all the game material in the complete pack. - With space for the cards from the "Le Grand Hameau" card expansion and all bonus promo cards released up to 2020. (Cards are included in the complete package). - The set consists of twelve individually removable plastic token holders and two plastic card holders. - Individual token holders not only serve as a storage solution, but can also be placed directly on the playing field and integrated as a game setup aid. - All cards also fit with protective sleeves. - The rules of the game, the building appendix and the game board are placed on the token holders. - Transport and tilt-proof - vertical storage possible - "Ready to use" - no assembly required To keep your business humming and incoming and outgoing goods flowing smoothly, we have taken care of the organisation in your box. Thanks to the 12 token and 2 card holders, you have your box under control. The inserts help you to sort the various game materials. This saves you tedious pre-sorting and gives you more time to play. To start the game quickly, simply place the individually removable trays on the table and you're ready to go. The token holders can be placed directly on the game board and integrated into the game. This improves your gaming experience. The set consists of: - 2 plastic card holders, each with 3 compartments for game cards such as "Game turn" overview cards, standard building cards, special building cards, round cards with "Ship" back, promissory note cards, "Round overview" cards - 12 plastic token holders with a compartment for game material such as person tokens, ship tokens, supply tokens, food tokens, starting player tokens, coins ("1 franc", "5 francs") tokens ("cattle/meat", "grain/bread", "iron/steel", "clay/brick", "wood/charcoal", "fish/smoked fish", "coal/coke", "fur/leather"). Once all the tokens and card holders have been placed in the board game box, place the game rules, the building appendix and the game board on the plastic trays. - thermoplastic - made from renewable raw materials - no assembly required - ready to play - 3D printed in Germany As with all 3D printed models, minor imperfections may occur. The product images are only examples of what the finished product may look like. All products are provided unpainted.
