from **48,83 EUR**

Item no.: 378104
shipping weight: 0.30 kg
Manufacturer: Feldherr

Product Description

Most hobbyists know the problem: The miniatures are getting more, but the space is getting less. This is of course also the case with Warhammer Underworlds. With this foam-filled MEDIUM PLUS bag, you can store your models separately from the game material and thus save space without having to forego proper protection. The set contains: - 1 Feldherr MEDIUM PLUS bag - 1 full-size foam insert for 22 miniatures (FSMEZZ050BO) - 1 full-size foam insert for 16 larger miniatures (FSMEFP050BO) - 1 full-size foam insert for 32 smaller miniatures (FSMEDS040BO) - 1 foam lid From Averon Stormfather to Mollog's Mob to Rippa's Snarlfangs, every figure will find a suitable compartment here. The models are well protected in the soft foam. Sensitive details are thus safe from damage. Precisely fitting compartments ensure that the figures do not slip around when travelling. Painted warrior models are spared scratches and chipped paint. The set is intended exclusively for storing the miniatures. Game accessories such as cards, markers and game boards must be stored separately. Dimensions of the compartments: The 22 compartments of the FSMEZZ050BO have the following dimensions: - 12 compartments: 60 mm long x 45 mm wide x 40 mm deep - 6 compartments: 65 mm long x 45 mm wide x 40 mm deep - 4 compartments: 73 mm long x 40 mm wide x 40 mm deep Each of the 32 compartments of the FSMEFP050BO is 74 mm long x 56 mm wide x 40 mm deep. Each of the 16 compartments of the FSMEDS040BO is 54 mm long x 35 mm wide x 30 mm deep. Finally, the foam lid ensures that your figures are safely packed all round and survive transport to the gaming table undamaged. The Feldherr MEDIUM PLUS bag is made of particularly hard-wearing material. Padded side panels and a reinforced base also ensure that the miniatures are well protected from external influences, even when being transported by car or train. It can also be locked and unlocked with an optional padlock. In addition to the large main compartment, the bag has a small zip pocket at the front. Here you can store booklets and other small items, for example. There is a rubberised, handy carrying handle on the top. If you prefer to have your hands free, you can also carry the bag comfortably as a shoulder bag thanks to the sturdy, detachable shoulder strap. Dimensions of the MEDIUM PLUS bag: - Inside: approx. 345 mm x 275 mm x 150 mm - Outside: approx. 390 mm x 330 mm x 160 mm The foam inserts have the following dimensions: - FSMEZZ050BO / FSMEFP050BO: 275 mm x 172 mm x 50 mm total height (40 mm usable height + 10 mm foam base). - FSMEDS040BO: 275 mm x 172 mm x 40 mm total height (30 mm usable height + 10 mm foam base). - High-quality, fine-pored foam - Made in Germany - Chlorine-free and acid-free
