### Product Description

Compatible with Robinson Crusoe & the expansion The Voyage of the Beagle  
Attention: Only compatible with the square box of the Pagesus editions from 2013-2015! (See also in the description below)- 6 boxes removable- Lid closes flush- Vertical storage possible- Supports premium card sleeves(max. outer dimensions 68 x 95 mm & 48 x 73 mm)- Overall size after assembly: 285 x 285 x 67 mm- Assembly requires wood glueHobby product. From 14 years. Not a children's toy.When you wash up on the island, your pockets are empty at first. But as you try to survive in the unknown wilderness, you quickly accumulate items: Lots of maps, adventure and island pieces, food and wood, action tokens, number tiles, weather and shortcut markers and much more. Our insert is just the thing to bring order to the jungle camp.ROBI consists of 7 trays, 6 of which can be removed individually and placed anywhere on the game table.Tray 1: The base of the insert holds all the cards and island pieces. It remains permanently in the box.Tray 2: All small markers and the dice from the main gameTray 3: Action tiles and woodTray 4: Coloured dice and turn markerTray 5: Discovery tilesTray 6: The tiles from the Beagle expansionTray 7: Small tiles, dice and action markers from the Beagle expansionA placeholder is also included to make up for the missing tiles if you do not have the Beagle expansion.Once all the trays have been placed in the box, the Beagle plans and boards are placed in the centre first, followed by the character boards and finally the game board and rulebook. The box lid closes flush. The box can easily be stored on edge.Robinson Crusoe has been prepared and distributed by various publishers since its release in 2012. This has resulted in some significant differences between the components. The most obvious difference was the box design: in Germany the box was square, but in many other countries it was rectangular.Our organiser is intended for the square Pagesus edition (Medium Square format - 29.7 x 29.7 x 7.1 cm / 11.7 x 11.7 x 2.80 inches).Not suitable for the alternative, larger resource stones of the treasure chest!This item is supplied as a kit that needs to be assembled. We recommend the use of wood glue (not included in the package).
