Product Description

To become the Outer Rim's most famous villain and pay all your outstanding bills, you first have to get your life in order. Cunning and a charming smile will get you nowhere when it comes to sorting your board game box. However, this Feldherr organiser made of plastic will help you to store all the game contents of the basic game and the expansion neatly and not lose track of things. - The organiser fits into the original basic game box of "Star Wars: Outer Rim". It offers space for all the game contents of the basic game and the "Open Bills" expansion. - In addition to the card holders, the Feldherr set includes card dividers, which make it easier to sort the playing cards. - The card dividers also fit with protective sleeves. Game cards also fit in the card holders with protective sleeves. - The dice holder can also be used as a dice cup. - Large game components such as ship sheets, player boards, ambition sheets, game board pieces, as well as game board and core world end pieces can be stored under the token holders. - Place the rulebooks on the foam lid. - The lid of the box protrudes approx. 1 cm. - Transport and tilt-proof - vertical storage possible. - The organiser can also be used alone with the basic game. This means that the organiser is no longer safe to transport or tip over. - Ready to use - no assembly required. While you outwit your opponents with charm and trickery, we take care of keeping your board game box tidy. The clear structure helps you to set up and dismantle the game quickly. This means you have more time for your trickery and don't have to spend time sorting through your cards. The set comes with a set of Feldherr card dividers so that you can sort your cards even more clearly. This allows you to decide how best to sort your cards and the different colours mean you know where each type of card is stored. This means you have everything to hand and can be the first to shoot if necessary, without having to spend time organising your cards. To start the game quickly, take the individual trays out of the box and spread them out on the table. After the game, put the individual components in the compartment provided for them and store everything in your board game box. The set consists of: - 4 plastic card holders, each with two card compartments for playing cards such as character cards, market cards, encounter cards, database cards, AI cards and overview cards - 1 plastic card holder with one compartment for playing cards such as character cards, market cards, encounter cards, database cards, AI cards and overview cards - 2 plastic character holders, each with eight compartments for character stands with feet - 2 plastic token holders, each with ten compartments for small game material such as orange contact markers, debt markers, damage markers, credit markers, objective markers, call markers and patrol markers. - 1 plastic dice holder with a compartment for dice. Can also be used as a dice cup. - 20 Feldherr card dividers for improved sorting of the playing cards - 1 foam lid - high-quality, fine-pored foam - chlorine-free and acid-free - Made in Germany. As with all 3D-printed models, minor imperfections may occur. The product images are only examples of what the finished product may look like. All products are provided unpainted. - thermoplastic - made from renewable raw materials - no assembly required - ready to play - 3D printed in Germany
