Product Description

With this complete set for Massive Darkness, you can protect all miniatures and accessories from the Pledge, Stretch Goals and Extra Buys and transport them in our hobby transporter. The considered Extra Buys include: Elementals, Ratlings, Reptisaurians, Troglodytes, Warrior Priests vs The Spearmaiden Cyclops, Bloodmoon Assassins vs The Hellephant. There's room for all your figures in the custom-fit compartments of the foam inserts. The recesses for hero boards, hero bases, marker pens, card parts, cards in sleeves, dice and all markers make it easy and practical to protect and transport all game components. There is also space for additional figures. The class sheets fit separately in the transporter. This means you can store up to 227 miniatures in total.
