from **152,76 EUR**

Item no.: 379923  
shipping weight: 4.00 kg  
Manufacturer: Feldherr

### Product Description

The medieval zombie hunt began with Black Plague and continues just as fantastically with Zombicide: Green Horde. To make matters worse, the plague has now also infected the local orcs, which presents the survivors with a whole new set of problems. These green zombies controlled by necromancers are not only bigger and stronger than humans and therefore strike twice as hard, they also like to appear in hordes. But it's not just undead orcs that lurk behind the hedges. This instalment of the Zombicide series once again features a wonderful variety of miniatures. With over 260 figures plus game material, it's not always easy to keep track of everything. Fortunately, we have once again thought about how you can store your Zombicide collection neatly and safely so that no heads get lost outside the playing field. The set consists of:- 1 Feldherr transporter bag- 2 storage boxes XL- 1 full-size foam tray especially for Necromantic + Feral Dragon and 4 miniatures (FSMEEC110BO)- 2 full-size foam trays with 34 compartments each for miniatures (FSBR040BO)- 1 full-size foam inlay with 50 compartments each for miniatures (FSEB035BO)- 1 full-size foam inlay with 36 compartments each for miniatures (FS035BO)- 2 full-size foam inlays for tiles, tokens and cards (FS050I031BO)- 1 full-size foam inlay with 25 compartments for miniatures (FSLQ035BO)- 1 full-size foam inlay with 16 compartments for miniatures and 6 dashboards (FSFG055BO)- 2 half-size foam inlays with 15 compartments each for miniatures (HSMEDO065BO)- 2 half-Size Schaumstoffeinlagen mit jeweils 16 Fächern für Miniaturen (HS035BF05BO)- 1 Half-Size Schaumstoffeinlage mit 7 Fächern für Miniaturen (HSLZ060BO)- 1 Half-Size Schaumstoffdeckel (10 mm Höhe)- 4 Full-Size Schaumstoffdeckel (4 mm Höhe) 12 passgenaue Schaumstoffeinlagen sorgen dafür, that all Walkers, Runners, Fatties, Necromancers, Abominations and of course the Survivors are in good hands. From Finarton the Giant to the furry Abominabunny, there is a suitable compartment for every single miniature. Your figures won't slide around and, surrounded by soft foam, are protected from damage at all times. The huge wings of the Necromancer Dragon or the sharp claws of the Swamp Lurker are just as safe here as the swords and lances of your heroes. 2 individual inserts with special compartments for cards (with and without sleeves), dice, tiles and tokens help you to keep track of your game material at all times. Trackers, counters and equipment cards are therefore quickly to hand and the time and nerves you save on setting up the game can be invested in the zombie hunt instead. The 14 foam mats offer space for the contents of the following boxes from the Zombicide: Green Horde Kickstarter campaign:- Zombicide: Green Horde Core Box- Exclusive Feral Dragon Pack- All unlocked Stretch Goals- Friends and Foes- No Rest for the Wicked- Paul Bonner Box- Adrian Smith Box- Ultimate Survivors- Rat King & Swamp Troll- Fatty Bursters- Deadeye Walkers- Green Custom Dice- Green Horde Extra Tiles Pack The following optional buys do not fit in the transporter:- 3D Plastic Obstacles- 3D Hedges- 3D Doors- Plastic Token Pack- Massive Darkness Crossover We have put together an additional storage box M for these packs. You can find this in the webshop under item number LBM20. The storage boxes made of coated, double-walled cardboard are not only lightweight but also robust and therefore ideal for storage and transport. The whole thing is rounded off by the high-quality transporter bag, including carrying strap, which makes transporting easier. Our transporter is made from lightweight but durable fabric. In addition to the large main compartment, the bag has a small side compartment. It can be lifted with two carrying handles or shouldered comfortably with the sturdy carrying strap. This means your Zombicide: Green Horde collection is perfectly packed and can be transported to the next game with optimum protection at all times. Dimensions of the transporter bag:- Internal dimensions: approx. 620 mm x 400 mm x 340 mm height- External dimensions: approx. 635 mm x 410 mm x 350 mm height- Front compartment: 230 mm width x 210 mm height Dimensions of the storage box XL:- Internal dimensions: 550 mm x 345 mm x 150 mm height- The external dimensions are slightly larger.- High-quality, fine-pored foam High-quality, fine-pored foam - Made in Germany- Chlorine-free and acid-free
