Product Description

This Feldherr transporter set is supplied without foam. Ideal for storing and transporting large collections of miniatures and games. In combination with our raster foam inserts also ideal for other sensitive products such as electronics, medical equipment or as a tool box. The set includes:- 1 Transporter bag- 1 DSEB305 Euro container with hinged lid ED 64/32 HG. The DSEB305 Euro box offers space for all Feldherr foam inserts in the sizes half-size, full-size and double-size up to a total height of 305 mm. Features Eurobox:- fits exactly into the transporter bag*- suitable for all Feldherr foam inserts in double-size, full-size and half-size- filling height: 305 mm- hinged lid with two locking levers for easy and secure closing- recessed grips for carrying- Euro-sized, stackable- high stability- made of temperature-resistant, food-safe plastic (polypropylene)* applies to all Transporter models from 08/2019. Batch: Transporter-1904. Transporter features:- bag made of lightweight and particularly durable material- additional small compartment (e.g. for writing materials) with zip at the front of the bag- 2 carrying handles and an infinitely adjustable carrying strap with shoulder pad for convenient transport. AUER Packaging's robust Euro container made of impact-resistant and dimensionally stable plastic provides optimum protection for your goods against damage during transport. The lid, with its easy-to-operate hinge system and two locking levers, reliably protects the contents from dust and dirt. The Euro box can be lifted using the recessed handles. It can be transported more conveniently with the matching Feldherr bag. The high-quality transporter bag is made of lightweight but durable fabric. In addition to the large main compartment, it has a small side compartment in which, for example, writing materials, game instructions or similar items can be stored. It can be carried with two handles or comfortably shouldered with the sturdy carrying strap. When the bag is not needed, it can be folded flat to save space and easily stored in the cupboard. Transporter dimensions:- Internal dimensions: approx. 620 mm x 400 mm x 340 mm height- External dimensions: approx. 635 mm x 410 mm x 350 mm height- Front compartment: 230 mm wide x 210 mm high. DSEB305 Euro container dimensions:- Internal dimensions: 570 mm x 370 mm x 305 mm- External dimensions: 600 mm x 400 mm x 335 mm- Weight: 2.92 kg- Capacity: 66 litres
