### Product Description

For once, Hallertau is not about marauding and plundering hordes, but about hops. As the head of the village, you want to lead your small Bavarian village to prestige and prosperity by making smart economic decisions. We have the right Feldherr Organiser for you so that hops and malt are not lost and your game material is always well organised. It keeps your box tidy and helps you to make your village known beyond Bavaria. The organiser fits into the original board game box and offers space for all the game material of the "Hallertau" basic game. The set consists of nine individually removable plastic token holders, three plastic card holders and three foam covers. All cards also fit with protective sleeves. All cards also fit with protective sleeves (max. outer dimensions 73 mm x 46 mm). The rulebook, scoring pad, field plans, house plans (folded), house tiles, stable plans and action plan are stored separately in the box. safe to transport and tip over - vertical storage possible - "Ready to use" - no assembly required. While your village continues to grow and you advance the hop cultivation, we take care of your game material. The nine token holders and three card holders ensure that your game material is always clearly organised. This saves you time, as there is no need for tedious pre-sorting and you can use the time you save to grow hops. For a quick start to the game, simply spread the trays out on the table and you can get started with your friends. The set in detail: - 1 card holder with four compartments for 4 decks of 30 starter cards each. - 1 card holder with four compartments for 4 decks of 35 farmyard cards each. - 1 card holder with three compartments for 6 quarter cards, 1 deck of 45 bonus cards and 1 deck of 25 point cards. - 2 token holders with one compartment for 6 quarter cards, 1 deck of 45 bonus cards and 1 deck of 25 point cards. 2 token holders with one compartment for wooden material ("Flax" goods indicator, "Hops" goods indicator, "Barley" goods indicator, "Rye" goods indicator, "Fur" goods indicator, "Milk" goods indicator, "Meat" goods indicator, "Wool" goods indicator, worker cubes). - 2 token holders with one compartment each for tool tokens and field tokens. - 4 token holders, each with 2 compartments for tokens and markers (casket tokens, overview tokens, jewellery tokens, founding tokens, various craft tokens). - 3 foam covers. Once all the tokens, cards and game material have been placed, cover everything with the foam covers provided. The rulebook and scoring pad are stored on the foam covers. Place the field maps on the trays. Place the house plans (folded), house tiles, stable plans and the action board on the bottom of the board game box, under the trays. - High-quality, fine-pored foam - Chlorine-free and acid-free - Made in Germany. As with all 3D-printed models, there may be minor imperfections. The product images are only examples of what the finished product may look like. Colours may vary. All products are supplied unpainted. - thermoplastic - no assembly required - ready to play - 3D printed in Germany
