Product Description

After the zombie apocalypse in modern times and the fantasy zombicide in the Dark Ages, it's off to the future with "Zombicide: Invader". But no matter when, no matter where and no matter what your bloodthirsty enemies are called, the goal always remains the same: Survival! Of course, this Zombicide season we're also providing you with everything you need to store your collection neatly and safely. A transporter and the matching, foam-filled storage box ensure that the heads only roll on PK-L7, not on the way there. The set offers space for all figures and the entire game material from the "Soldier Pledge" of the Zombicide: Invader Kickstarter campaign. It consists of: - 1 Feldherr transporter bag- 1 storage box DSLB310- 2 full-size foam inserts for miniatures, accessories and dashboards (FSMEQV050BO)- 2 full-size foam inlays with 26 compartments each for miniatures (FSJQ050BO)- 2 full-size foam inlays with 34 compartments each for miniatures (FSBR040BO)- 1 full-size foam inlay for tiles, tokens and cards (FS060I031BO)- 1 full-size foam inlay for tiles, tokens and cards (FS050I031BO)- 1 full-size foam inlay with 25 compartments for miniatures (FSLQ040BO)- 1 full-size foam inlay with 26 compartments for miniatures (FSJQ050BO)- 1 full-size foam inlay with 36 compartments for miniatures (FS035BO)- 4 half-size foam inlays for tiles, tokens and cards (FS060I031BO) - 1 full-size foam inlay with 25 compartments for miniatures (FSLQ040BO) 4 half-size foam inserts with 12 compartments each for miniatures and accessories (HSCW075BO)- 2 foam lids All miniatures and game material are perfectly protected and organised on a total of 15 foam inserts, well protected and clearly organised. Each worker, berserker, hunter, foul monster and, of course, each survivor has its own customised compartment. Your miniatures stay in place during transport, do not slide around and, surrounded by soft foam, are optimally protected from damage. The tentacles and claws of the Xenos remain intact here, as do the weapons of your heroes. If you paint your figures, you can also be sure that the colours are protected from scratches and abrasion. Individual inserts with special compartments for cards, dice, tiles and tokens help you to keep track of your game material at all times. Trackers, counters and equipment cards are therefore quickly to hand and the time and nerves you save on setting up the game can be invested in the zombie hunt instead. The contents of the following boxes can be stored in this set: - "Zombicide: Invader" Core Box- "Zombicide: Black Ops" Expansion- All unlocked Stretch Goals- Civilian Extras- Soldier Extras The storage box is made of coated, double-walled cardboard and is therefore not only lightweight but also robust, making it ideal for storage and transport. The attachable lid reliably protects your collection from dust and other external influences. The two plastic-reinforced carrying handles on the sides allow you to transport the box with ease. The box fits into our transporter bag made from lightweight but durable fabric. In addition to the large main compartment, the bag has a small side compartment. It can be lifted with two carrying handles or comfortably shouldered with the sturdy carrying strap.
